(Print as it appears on card)

Credit Card Authorization:  
I authorize LBCC to charge my credit card account for the exact amount of all required fees associated with this registration request.

10/99
College Services Card Fee

The $15 semester fee provides each student with a College Services Card. When validated, this card serves as your official student identification and must be presented when requested by faculty or staff to verify student status. This card also is required for scholarships, book buy-back, check cashing, bookstore discounts (including a 5% discount on textbooks), purchase of bus passes or money orders, library book check-out, and more. Every student must comply with the College Services Card fee in one of three ways: (1) pay the fee, (2) submit a loan form, or (3) submit a “surrender of benefits” form. You may not register until you have addressed this fee.

Your College Services Card at work:
All students at Long Beach City College become members of the Associated Student body when the College Services Card fee is paid during registration. As a member you receive a card which entitles you to several important benefits.

Your college services card can open the door to the following benefits, privileges and services:

<table>
<thead>
